

Equine Investigations Academy Durango, CO

CERTIFIED EQUINE INVESTIGATION TRAINING

The Equine Investigations Academy (EIA) provides training in the different aspects of horse abuse investigations. This in-residence academy uses classroom and hands-on instruction with a large number of horses to teach a systematic approach for equine cruelty investigators.

Level I Topics Include

- Equine Psychology
- Identification
- Body Condition Scoring
- Anatomy
- Veterinary Care
- Property Inspections
- Catching and Handling
- Vital Signs, First Aid & Nutrition
- Search and Seizure

Level II Topics Include

- Equine Sports Abuse
- Advanced Anatomy
- Horse Auctions
- Horse Hoarders
- Disaster Planning
- Alternative Medicines
- Cardiac Recovery Index and Vital Signs
- Basic Ropes and Knots
