WARRANTS FOR ACO'S

We understand that Animal Law Enforcement Officers are often not trained in writing affidavits and preparing warrants, which can lead to intimidation and confusion when dealing with legal procedures. Therefore, we are excited to announce our upcoming class on Warrant Preparation specifically designed for Animal Law Enforcement Officers. This class will provide step-by-step guidance on warrant preparation, execution, and maintaining proper chain of custody with living evidence animals.

Through case examples, we will discuss and show how to establish probable cause in various animal neglect scenarios including general neglect situations, animal hoarding complaints, caught on video scenarios, abandoned animal calls, cockfighting, and information received from veterinarians.

Cost and Registration: \$25.00 per student, register online at www.code3associates.org
