# **EQUINE INVESTIGATIONS: ENHANCE YOUR CASE**

Are you an animal services officer, animal welfare professional, first responder, or criminal investigator interested in equine investigations? Do you know how to identify proper equine terminology, feeding protocols, and what to look for at the scene of an equine cruelty or neglect case? If you're unsure or want to learn more, join our equine investigator course, where we will walk you through the fundamentals of investigating abused or neglected horses.

During this 3-hour course, we will discuss the complexities of equine cruelty cases and examine previous cases to build strong case convictions. Our knowledgeable instructor will provide the necessary tools to investigate crimes of cruelty and neglect successfully. With our course, you will gain the confidence and expertise needed to make a difference in the lives of abused and neglected horses. Take advantage of this opportunity to expand your investigative skills and positively impact the equine community.
